To others, this year may just be a silhouette of years past. But to us, the images come alive with special meaning.

Your annual staff hopes that as you look through this book, you may recapture some of the events that were most memorable to you.

Remember . . .

. . . The shock of getting that unexpected 'A' on your Algebra test!

. . . Finally making 'A' League after three years in 'B' League.

. . . That special Week of Prayer that made a lasting impression on you.

. . . All those fun and crazy times with those unique and unforgettable friends.

Then there are the times that are best forgotten . . .

. . . Applause when you drop your plate in the Cafeteria.

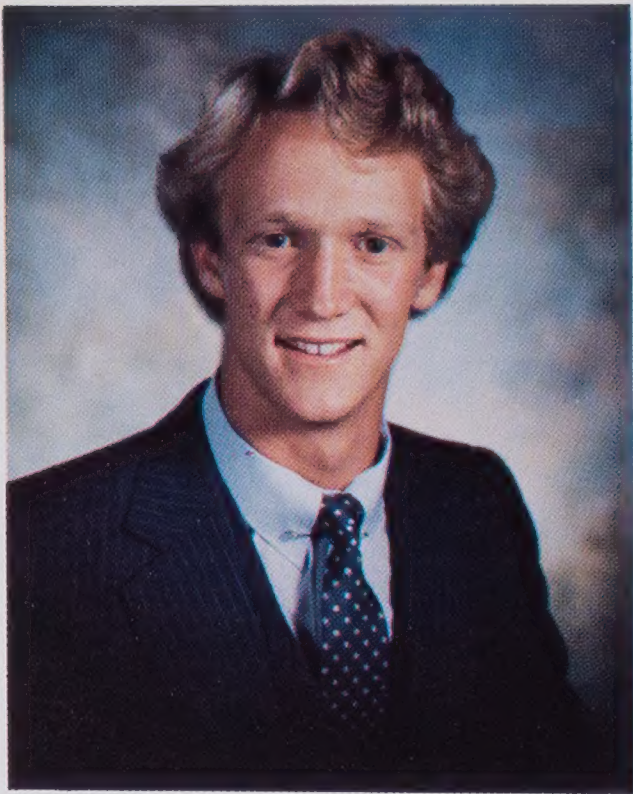

. . . Spilling punch on your date's new dress at the Banquet.

. . . After the Banquet, leaning down to plant a forbidden kiss on her cheek just as she turns her head so you get a faceful of hair.

The good and the bad times all make a lifetime of memories. We hope that, with the records of those times permanently sealed in this book, you will be forever able to recall the joys of this year.

Center your life in God and reach out to the friends you know and those you are just meeting. You will know true joy, wherever you go.

SENIOR CLASS

OF

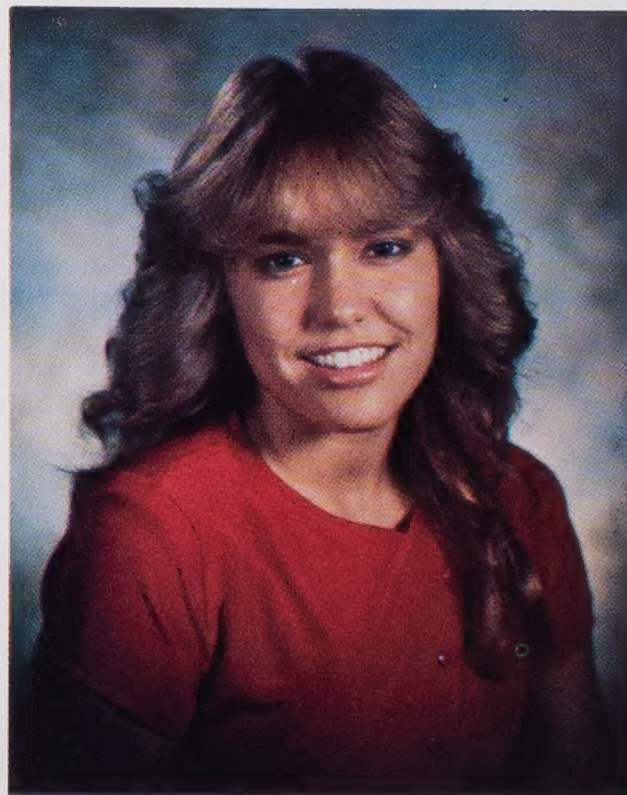

1983

Lance Paul Taggart- President
X-Ray Technician

A popular student at AAA, Lance really likes the people here. Sports come a close second in his main interest.

Jeannie Denise Dahlquist- Secretary
Pediatrician

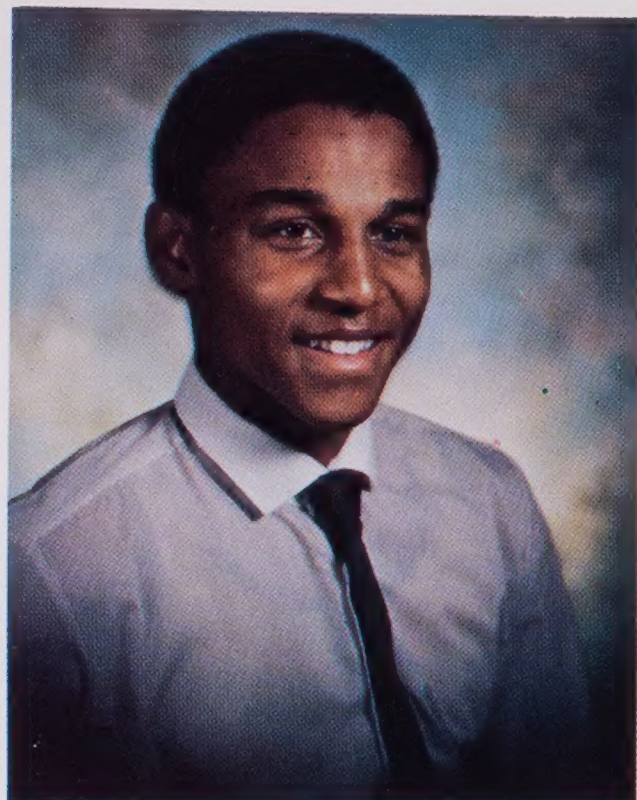

Attending AAA for four years, Jeannie is a cheerful person whose enthusiasm is contagious. One of her favorite past-times is drawing.

Jennifer Myers- Vice-President
Equestrienne

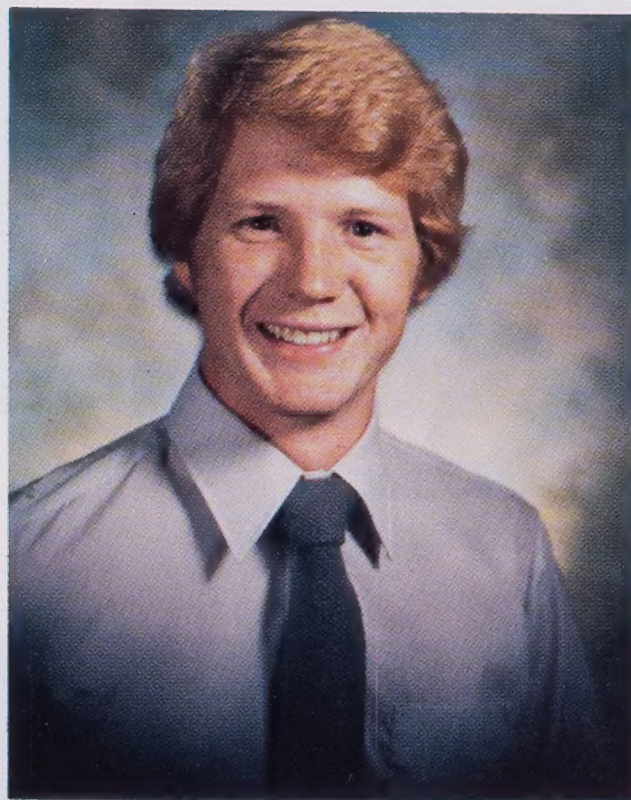

A specialist in Gymnastics, Jenny has been a star in many of the performances. She enjoys the people at AAA and the activities that the Gymnastics team has.

Ricky James Allen- Chaplain
Business major

Here at Auburn for three years, Ricky enjoys singing and helps make days more pleasant for those he meets.

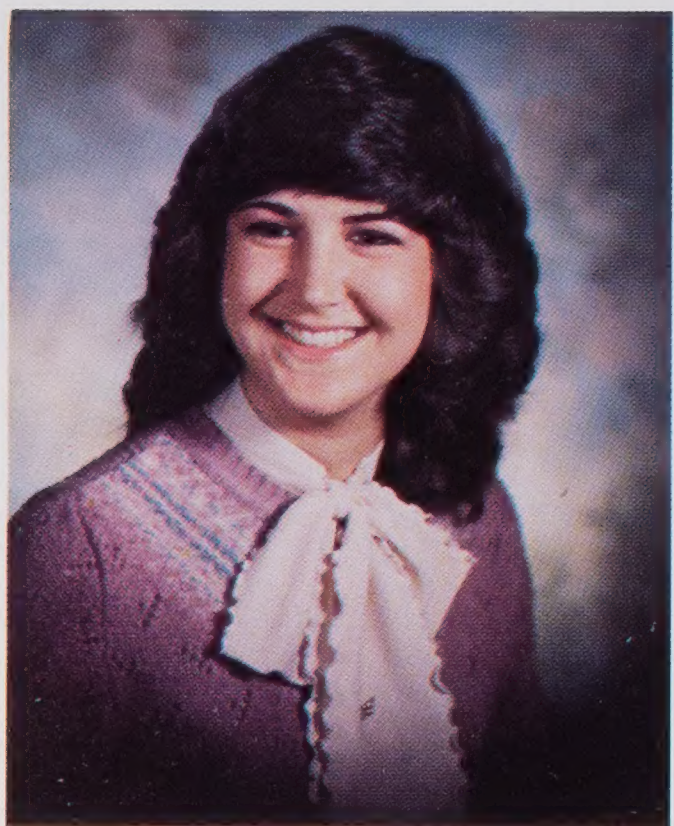

Janice S. Inovejas- Treasurer
Medicine

A collector of hearts and rainbows, Janice spreads her pleasant spirit among her classmates. Her careful record-keeping is a great asset to the class.

Tom Cobb- Sargeant-at-Arms
Optometrist

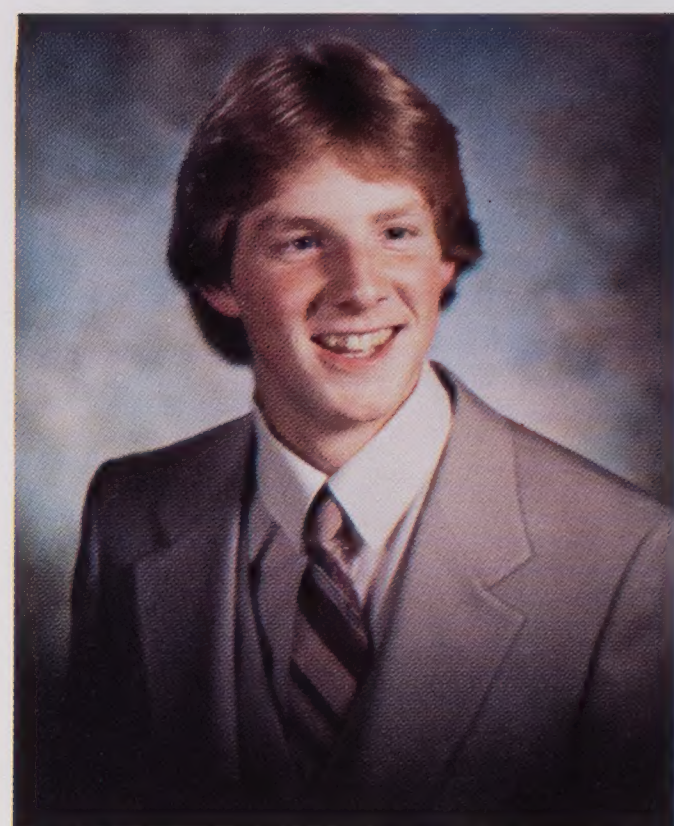

Basketball gets much of Tom's spare time interest. He enjoys work as a dorm RA and meeting people here.

SENIOR RETREAT

The bright sunshine started the day well, as 55 eager seniors departed for Fort Casey on Whidbey Island.

Student cooks catered better-than-usual fare (or maybe it was the outdoor appetites). Between meals, explorers combed the beaches and tunnels for adventure.

The weekend provided an opportunity for many of the seniors to make some lasting friendships and relationships that proved to be memorable. An outstanding year it was, by the impact the class of 1983 made upon the school.

BIBLE

WALKING WITH GOD

Righteousness by faith, Moses and the Red Sea, how to manage a family budget. All of these things are included in the various Bible classes taught here.

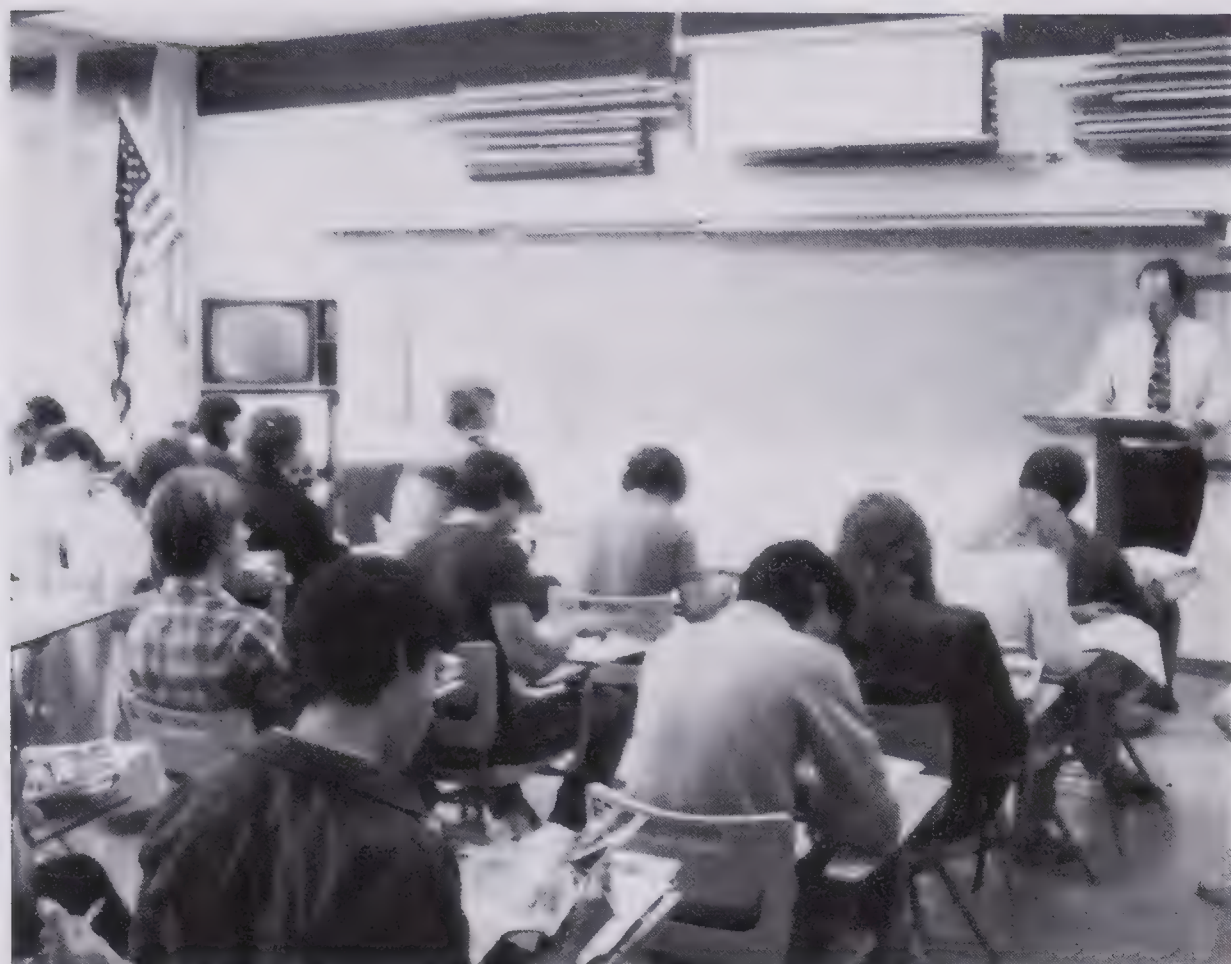

Bible is what makes our school, a Christian school, different from a public school.

Learning more about the Bible and about our Church doctrines are not the only things our teachers want us to gain from their classes. They hope that we develop a relationship with Christ and an understanding of the world and those around us so that we will be better people for it.

HISTORY

THE PAST COMES ALIVE

Walking through History for some is exciting. Exploring the Northwest, fighting in the Revolution, learning the culture of China.

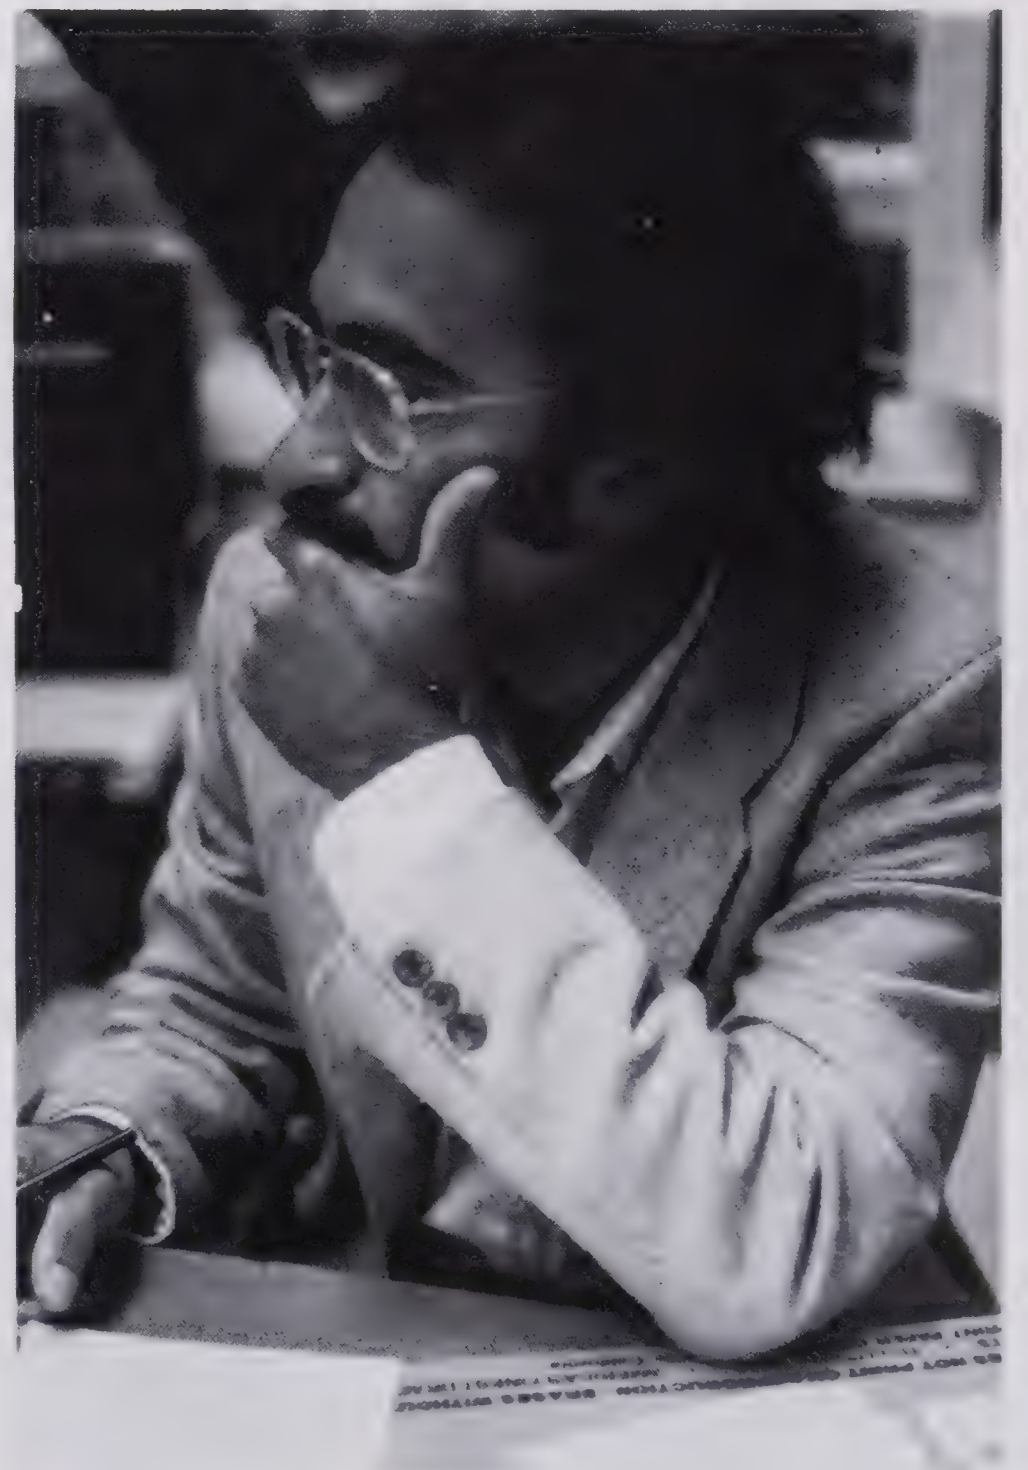

To others it is not as fun but Mr. Miller seems to bring a little bit of excitement to it, whether he is marching with his map pointer, singing "God Bless America", or just standing on his desk to help emphasize a point.

If you would talk to Mr. Miller he would admit the reason he is not dull is because he reads TIME, and he urges everyone else to do so too.

LEARNING RESOURCES CENTER

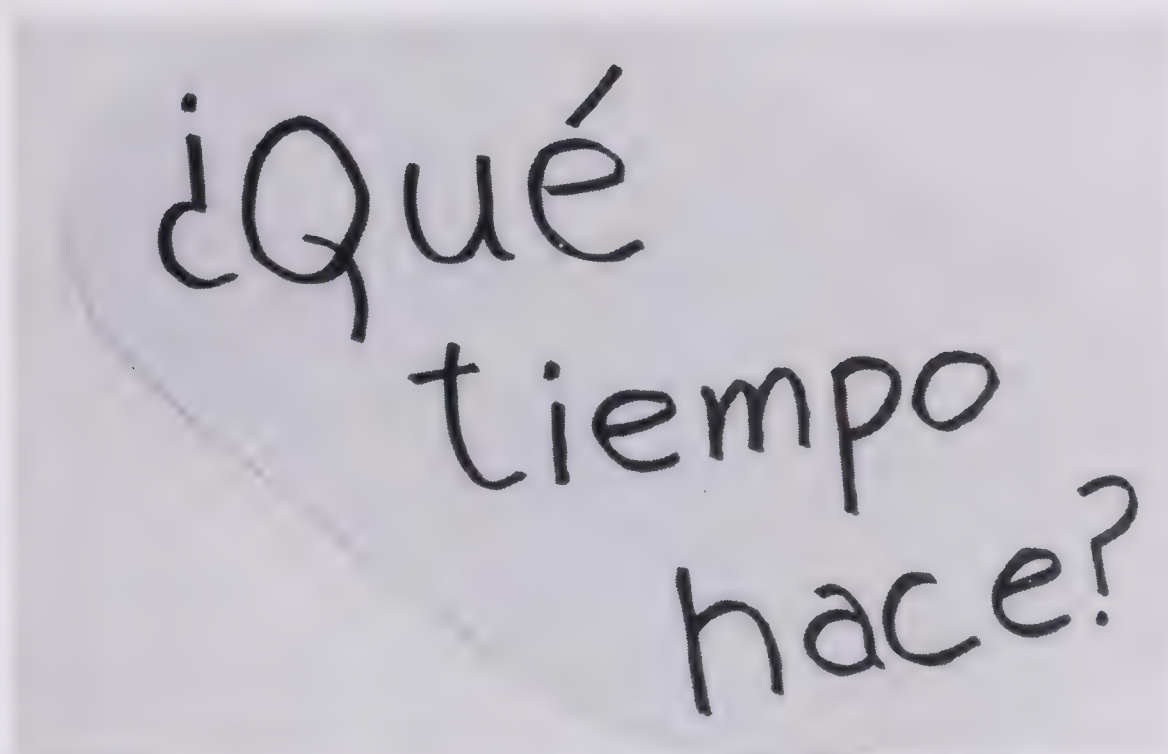

There are a variety of opportunities in the LRC under the authority of Mr. Driberg. Students who use the facilities wisely can get full service from the LRC staff in locating information and producing items for reports, or displays. Students who work in the LRC appreciate Mr. Driberg's direction and they fulfill duties and take responsibility willingly and eagerly. He's a good boss, the workers enjoy their job so much that some work overtime just to finish daily assignments.

An improved career center and a new computer are '83 additions to the LRC. What does the director have planned for 84?

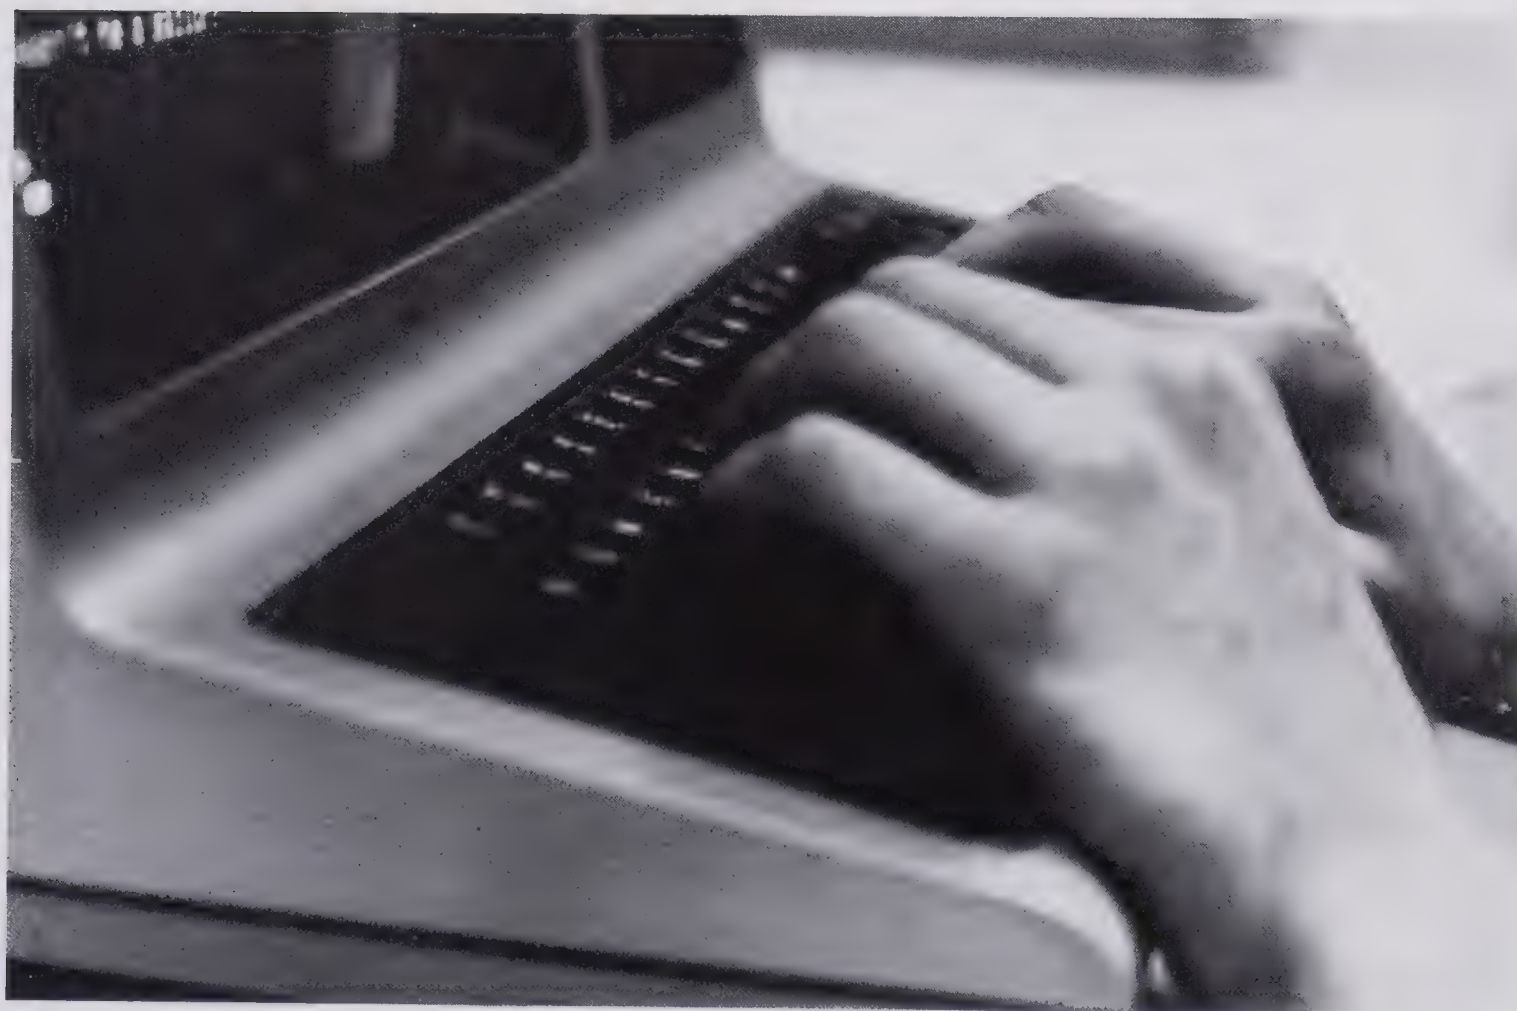

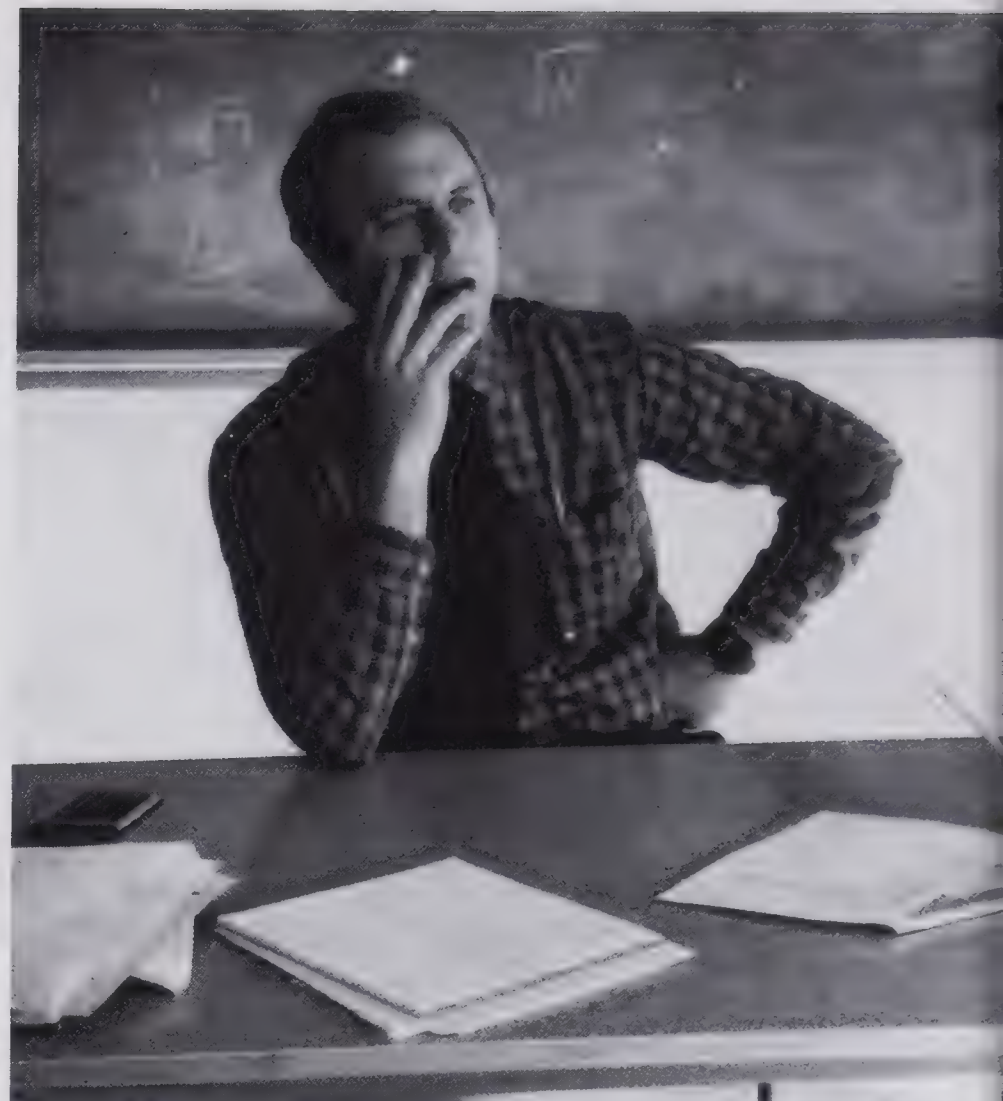

ENGLISH AND SPANISH

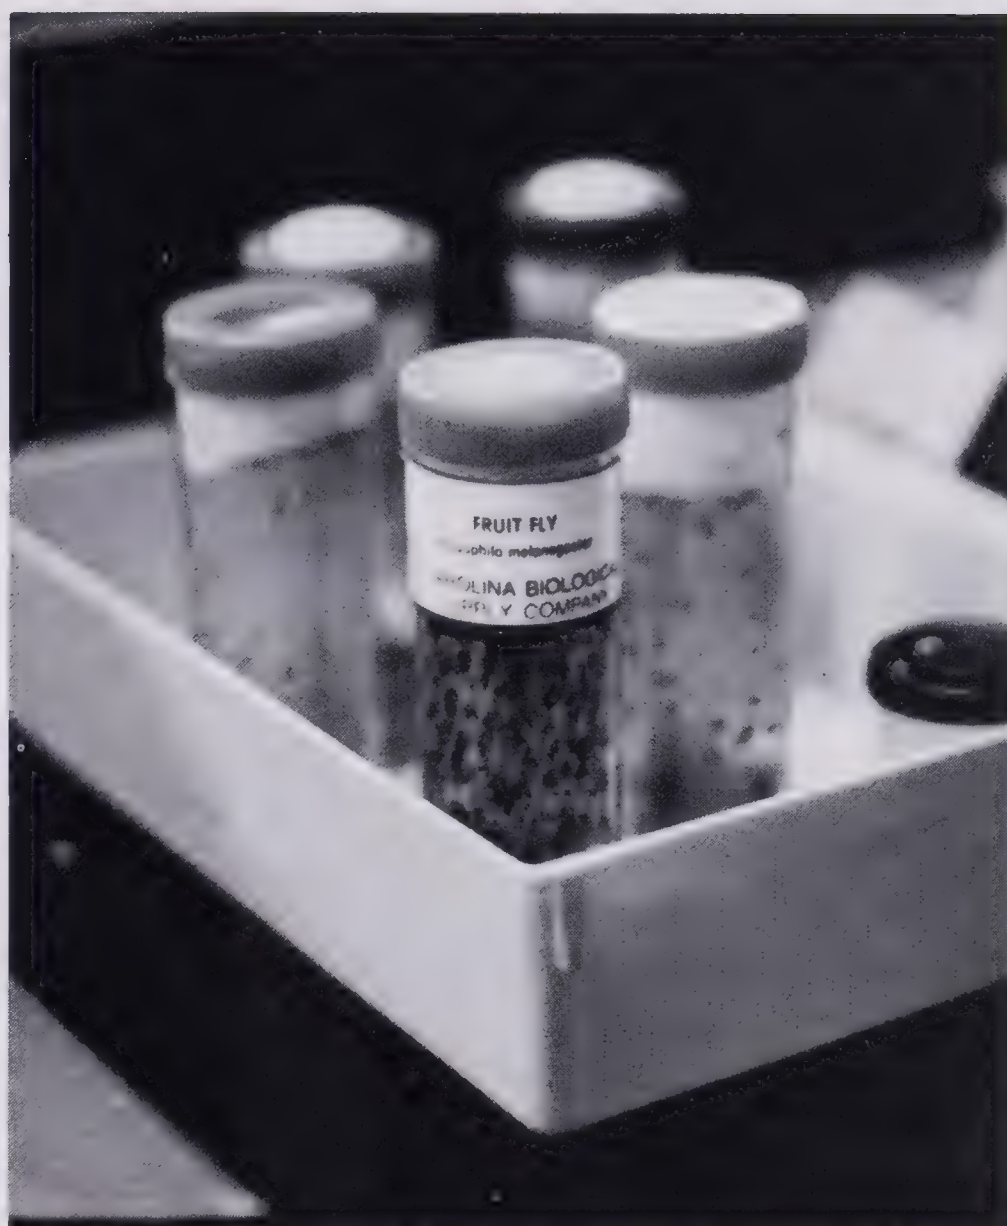

Spelling, grammar, punctuation and pronunciation-these are ingredients for good use of any language. Mrs. Crays, Mrs. Rittenbach, and Mr. Krenz give reading and writing assignments to sharpen our skills in our mother tongue. Down the hall, Mrs. Andrews tries to get students to speak and understand another language. Their knowledge of English will help their Spanish fluency and conversely, learning Spanish improves knowledge of English grammar. Even if we have spoken English since we first learned to talk, there is always need for improvement in communication.

MATH AND SCIENCE

In order to cope with modern technological society, science and math skills are essential. Mr. Priest, Mr. Spady and Mr. Rittenbach teach algebra, geometry and Computer Science. Mr. Rittenbach also teaches physics and Miss Toop teaches biology and chemistry.

In math and science classes, information is sequential. Low test scores might be the penalty if we sleep or daydream in class or skip a day. Labs and videos help make science classes more interesting. But those worksheets . . . !

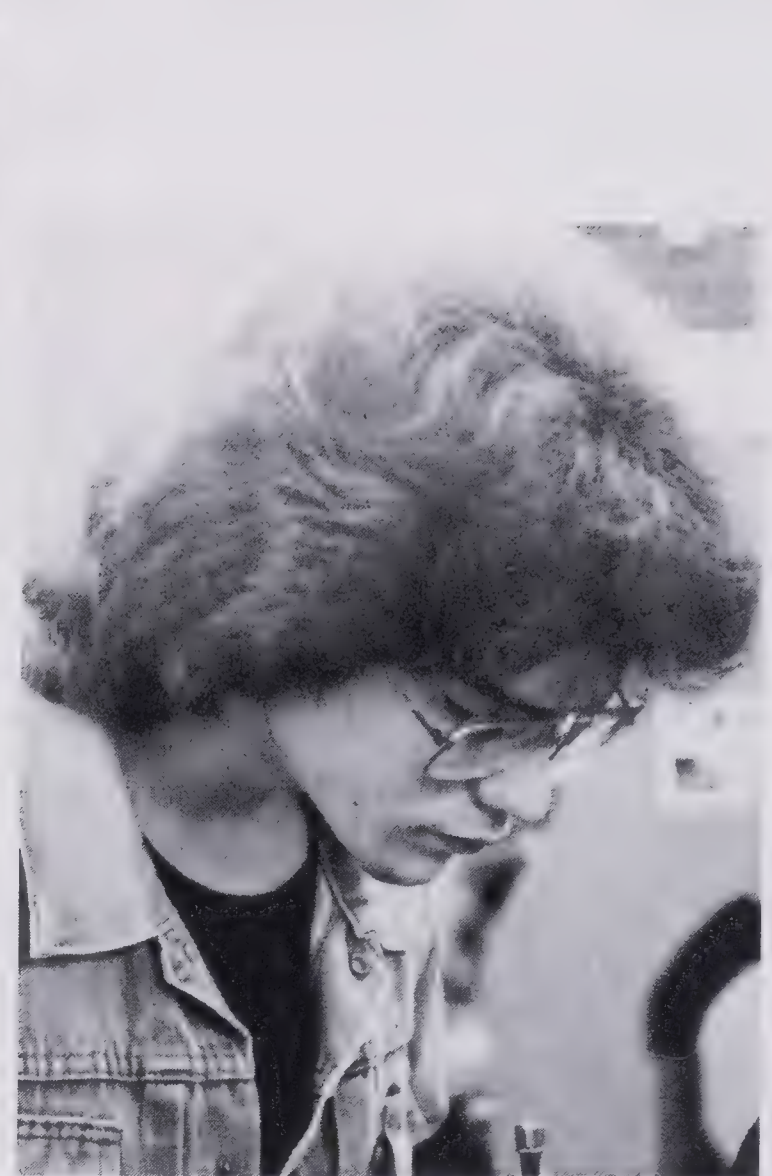

BUSINESS EDUCATION . . . PREPARING FOR THE OUTSIDE WORLD

In terms of getting a job right after school and helping a person through college, the skills gained in Business Education are perhaps one of the most important that can be learned here at AAA. Typing alone, taught by Jean Andrews and Mary Willison, is a necessity that you will use for the rest of your life, whether it is typing term papers or typing a letter home to mom. Accounting, which is taught by David Allen, is a skill that you will use for personal finances as well as for anything involved in business. Business Math, taught by Jean Andrews and Office Practice by Mary Willison are other business classes that are offered here at Auburn.

INDUSTRIAL ARTS . . . STUDENTS LEARN THE PRACTICAL ARTS

Many activities take place inside the Industrial Arts building. When walking into the building, you may see students huddled over their drafting desks. You can hear the whine of machines, and smell stain and sawdust from inside the woodshop room. The building is divided up into three main departments. Arts and crafts and woodshop are taught by Bob Freitas. Ed Spady directs machine shop and welding, and auto mechanics is taught by Bob Farver.

HOME ECONOMICS . . . TOMORROW'S HOMEMAKERS ???

Home Ec. is supposed to prepare you for homemaking. Judging from the frequency of clouds of smoke and charred creations, there will be a few hungry husbands in the next generation. The bachelors seem to have a better record for success, so maybe they can survive.

Sewing machines got a workout second semester as students translated paper patterns into wearables.

Lifestyles and tastes are constantly changing, but a knowledge of the home arts will always be useful.

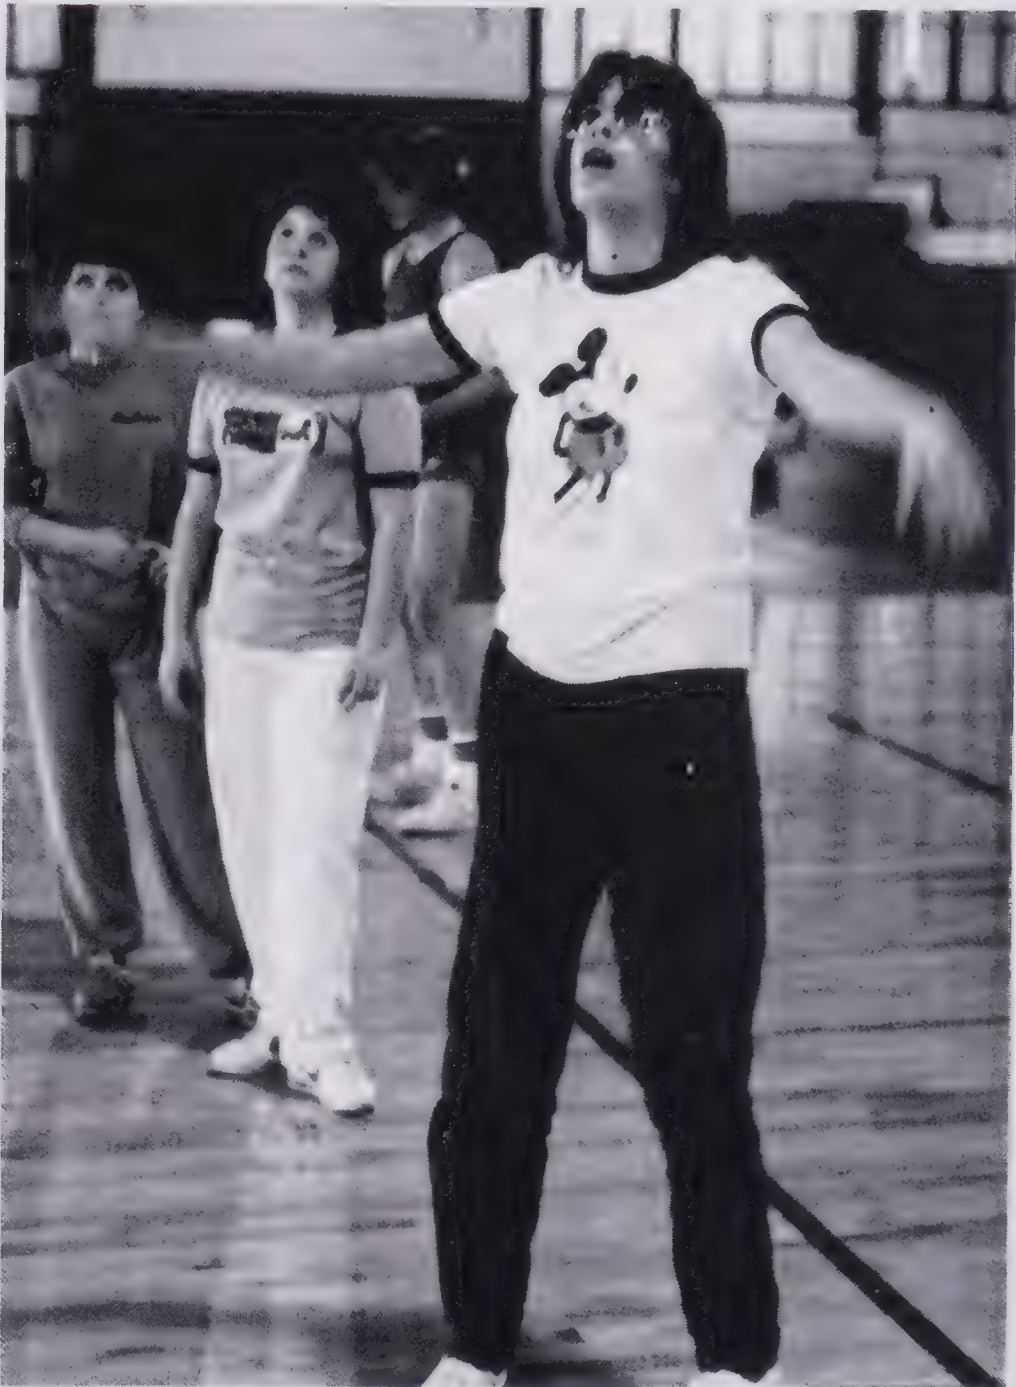

P.E. is . . . EXERCISE !!

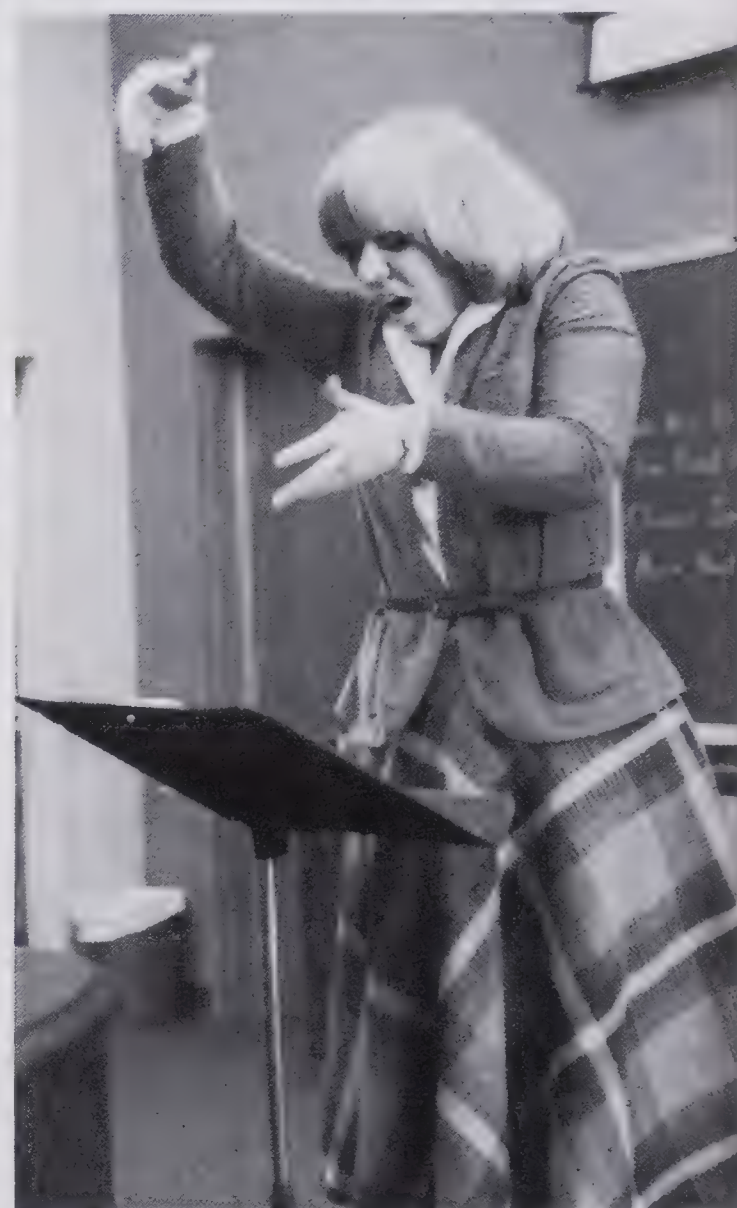

Whether you're shooting hoop, running laps or stretching your muscles, all these are a part of exercise.

Physical Education is a big part of the activities that go on here at school. There are always lots of things you can do for exercise, now all we have to do is find time in our schedule and get with it.

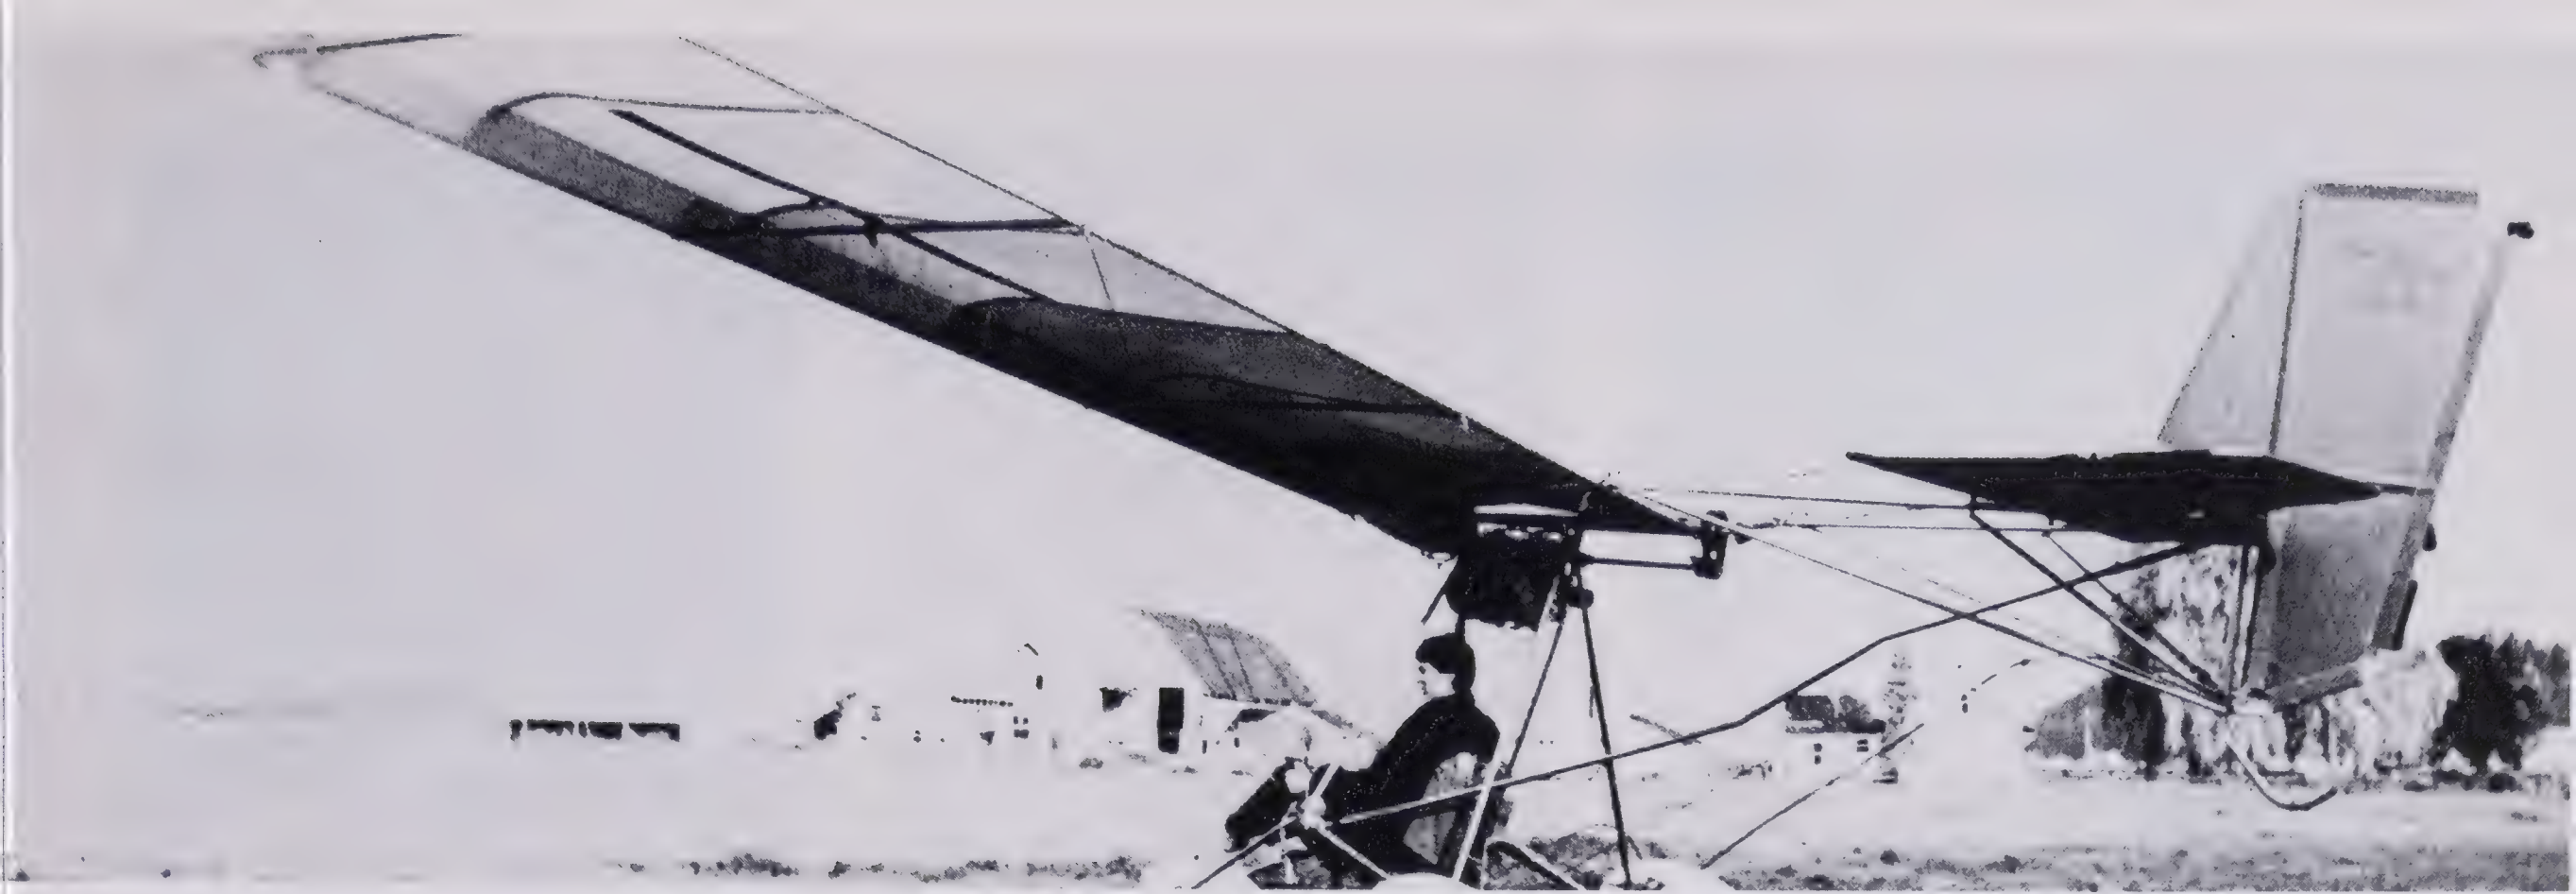

MUSIC DEPARTMENT

A PLACE TO NOTE!

To some the music Dept. is the cultural center of campus but to many it is a social hang out if not a 2nd home. Most any time you walk into the music Dept. your ears are assaulted by a mixture of piano, voice and instruments, all sounding at once in sometimes not-so-perfect harmony. But by tour time things seem to pull together in a musical way.

AVIATION

WHY I WANT TO BE A PILOT
WHEN I GROW UP I WANT TO BE A PILOT BECAUSE IT'S A FUN JOB AND EASY TO DO. THAT'S WHY THERE ARE SO MANY PILOTS FLYING AROUND THESE DAYS.

PILOTS DON'T NEED MUCH SCHOOL. THEY JUST HAVE TO LEARN TO READ NUMBERS SO THEY CAN READ THEIR INSTRUMENTS.

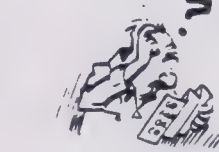

I GUESS THEY SHOULD BE ABLE TO READ A ROAD MAP, TOO...

PILOTS SHOULD BE BRAVE SO THEY WON'T GET SCARED IF IT'S FOGGY AND THEY CAN'T SEE, OR IF A WING OR MOTOR FALLS OFF...

PILOTS HAVE TO HAVE GOOD EYES TO SEE THROUGH THE CLOUDS, AND THEY CAN'T BE AFRAID OF THUNDER OR LIGHTNING BECAUSE THEY ARE MUCH CLOSER TO THEM THAN WE ARE.

THE SALARY PILOTS MAKE IS ANOTHER THING I LIKE. THEY MAKE MORE MONEY THAN THEY KNOW WHAT TO DO WITH. THIS IS BECAUSE MOST PEOPLE THINK THAT FLYING A PLANE IS DANGEROUS, EXCEPT PILOTS DON'T BECAUSE THEY KNOW HOW EASY IT IS.

I HOPE I DON'T GET AIR-SICK BECAUSE I GET CAR-SICK AND IF I GET AIR-SICK I COULDN'T BE A PILOT AND THEN I WOULD HAVE TO GO TO WORK.

SOCIAL ACTIVITIES

MOUNTAIN OUTING . . .

A HIKE IN THE RAIN

The first Sabbath of the new school year saw the entire school body attending church in God's outdoors. This was a chance for all the new students who might be homesick by now to get to know each other better. After singing a few songs together everyone enjoyed listening to Pastor Worley begin his sermon with a story about when he was our age.

After lunch everybody went on various hikes. These hikes ranged in difficulty from a leisurely one mile stroll around a small lake to a grueling seven and a half miles to Owyhigh Lakes.

Coming home was something no one will forget. Of all the four buses driven up to the mountains two of them became terminally ill, forcing all the students to become even better acquainted by crowding into the remaining two vehicles. After an enjoyable day it was nice to come back to our own campus.

Z.K. BANQUET . . .

YE OLDE ICE CREAM PARLOR

This year for the Z.K. Banquet, the cafeteria became an ice cream parlor. Candies and old-fashioned raspberry punch was served before the Italian banquet dinner. Abraham Lincoln (David Allen) started the entertainment followed with a song by Kelli Miller, and a saxophone quartet by Debbie Campbell, Greg Dietrich, Steve Heinig, and Tracy Rowell. The program continued with Kim Baze, Tami Bauer, and Chrissy Walker singing a trio "Mr. Sandman". "The Gents", Kurt Kennedy, Reini Grellmann, Brent Hinshaw, Tracy Rowell and Ted Wileman, presented "The Entertainer". The last act was "Ma He's Making Eyes at Me", sung by "The Beauty Shop Quartet", Bunny Hamilton, Loni Smith, Denise Erwin, and Maria Reiber. From the cafeteria everyone went to the chapel for the full length movie "Cheaper by the Dozen". The evening turned out to be most memorable and for many, it seemed too short.

AMATEUR HOUR

A NIGHT OF CLASS

New York came to life in Rainier Auditorium for the 33rd annual C.L. Amateur Hour. Scott Bushnell, in tie and tails, presented the wonders of that magic city, the Big Apple. Three equal prizes were awarded as well as one people's choice award.

Among the winners were: "Anything You Can Do", a duet by Maria Rieber and Tami Dietrich. Also placed among the top three was, "Who's on First", by Alan Nelson and Scott Davis.

A third prize and the people's choice award was presented for "Scamper", by the percussion ensemble (Sonya Manullang,

Kurt Kennedy, Kelli Kennedy, Kari Brody, Natalie Eyestone).

Our little journey through New York proved to be not only entertaining but also educational.

FALL FESTIVAL

STUDENTS UNDERCOVER

Imagine your best friend completely disguised and unrecognizable amidst a setting of unusually masked people. The students used a lot of imagination in adapting to the theme of masquerade.

The usual booths like putt putt golf, the jail, cotton candy, and the hayride were accompanied by a car smash, a kissing booth (chocolate kisses just don't live up to the real thing) and a pac man booth.

The entertainment for the evening was a magician act where Mr. Koehn almost got his head chopped off but didn't, followed by cartoons. Finally the booths were taken down and put away for another year and once again the gym returned to normal.

FATHER DAUGHTER BRUNCH

ENJOYING A DAY WITH DAD

The large banquet room at Andy's Auburn Station was filled with laughing and talking as the girls and their dads waited their turn to go to the buffet. This is a special day for the fathers and daughters to be together.

After a good meal everyone met in the chapel for the program. It was patterned after the famous Newlywed Game and hosted by Reinhold Grellmann. The audience enjoyed hearing what the fathers and daughters really knew about each other. The contestants were Kari Brody, Tami Bauer, Linda Blake, Denise Erwin, Shanna Harrod, Jill Rupert, and their fathers. Velona Smith, the scorekeeper, awarded Tami Bauer and her father the \$50.00 first prize.

CHRISTMAS BANQUET . . . 'TIS THE SEASON . . .

There was not a trace of snow to be seen as each couple made their way from Nelson Hall over to the cafeteria in the pouring rain. But upon entering the cafeteria, the atmosphere was dramatically changed into a feeling of Christmas. The whole dining room was dimly lighted by candles at each table and there were brightly colored Christmas lights everywhere. In the back was a house filled with all kinds of toys with a real live Santa—(Russell Hanscom, Sr.) He patiently endured each couple who sat on his knees long enough to get pictures taken. After an enjoyable Christmas dinner, everyone made their way over to the chapel to watch the movie "Chariots of Fire".

ICE-SKATING GRADUALLY GRACEFUL!

Since there are no frozen ponds in this part of the country, an indoor rink is the best place to practice. As novices tried for the first time, experts showed how it is really done. Falls and slides were quite frequent, but fun was also quite abundant.

A.S.B. BACKWARDS WEEK

SCHOOL SPIRIT REVIVED

MONDAY-Green socks with purple pants and an orange shirt-that's for CLASH DAY.

TUESDAY-Sailor hat, Army helmet, Baseball cap, Painter's hat, and T-shirts inscribed with signatures of all those friends and favorite teachers-only for HAT AND T-SHIRT DAY.

WEDNESDAY-Ten gallon hats, bandannas, cowboy boots-the day is WESTERN.

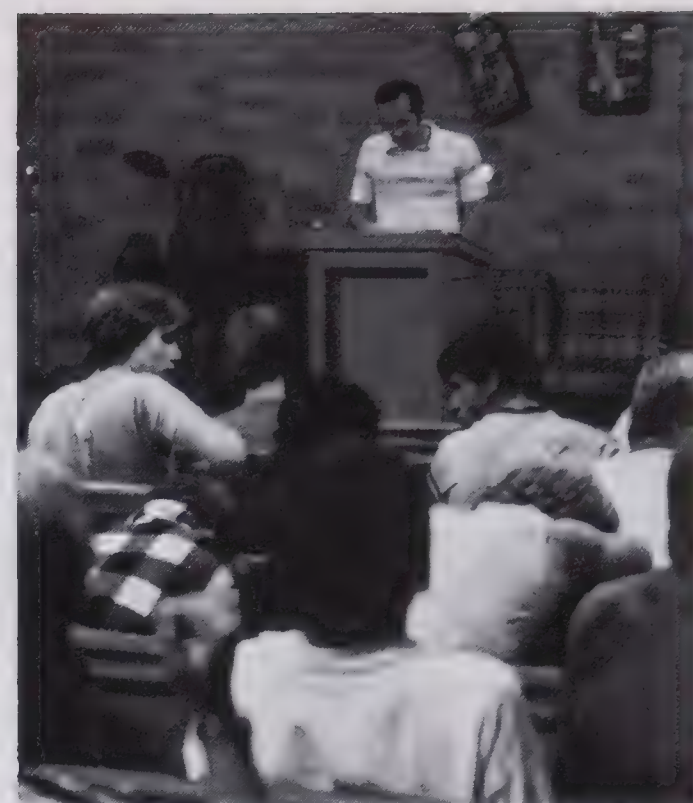

THURSDAY-Bobbie socks, greasy hair, cardigans, leather coats-back to the 50's.

FRIDAY-Long dresses, suits, girls opening doors and carrying plates-only on FORMAL AND REVERSE COURTESY DAY.

That's Backwards Week, which is an annual A.S.B. sponsored event. The purpose is to promote school spirit and give everyone a chance to get involved.

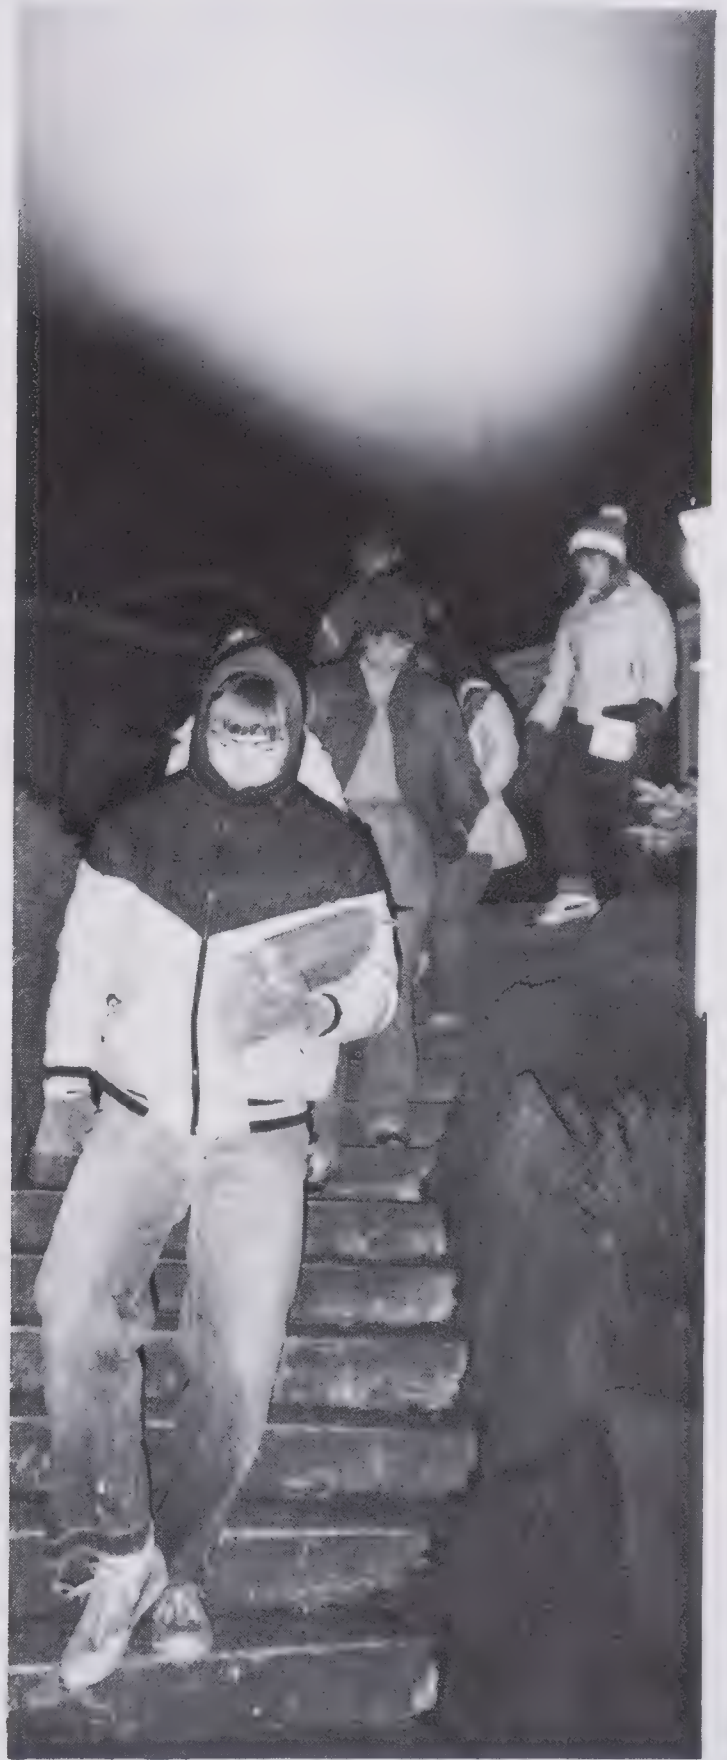

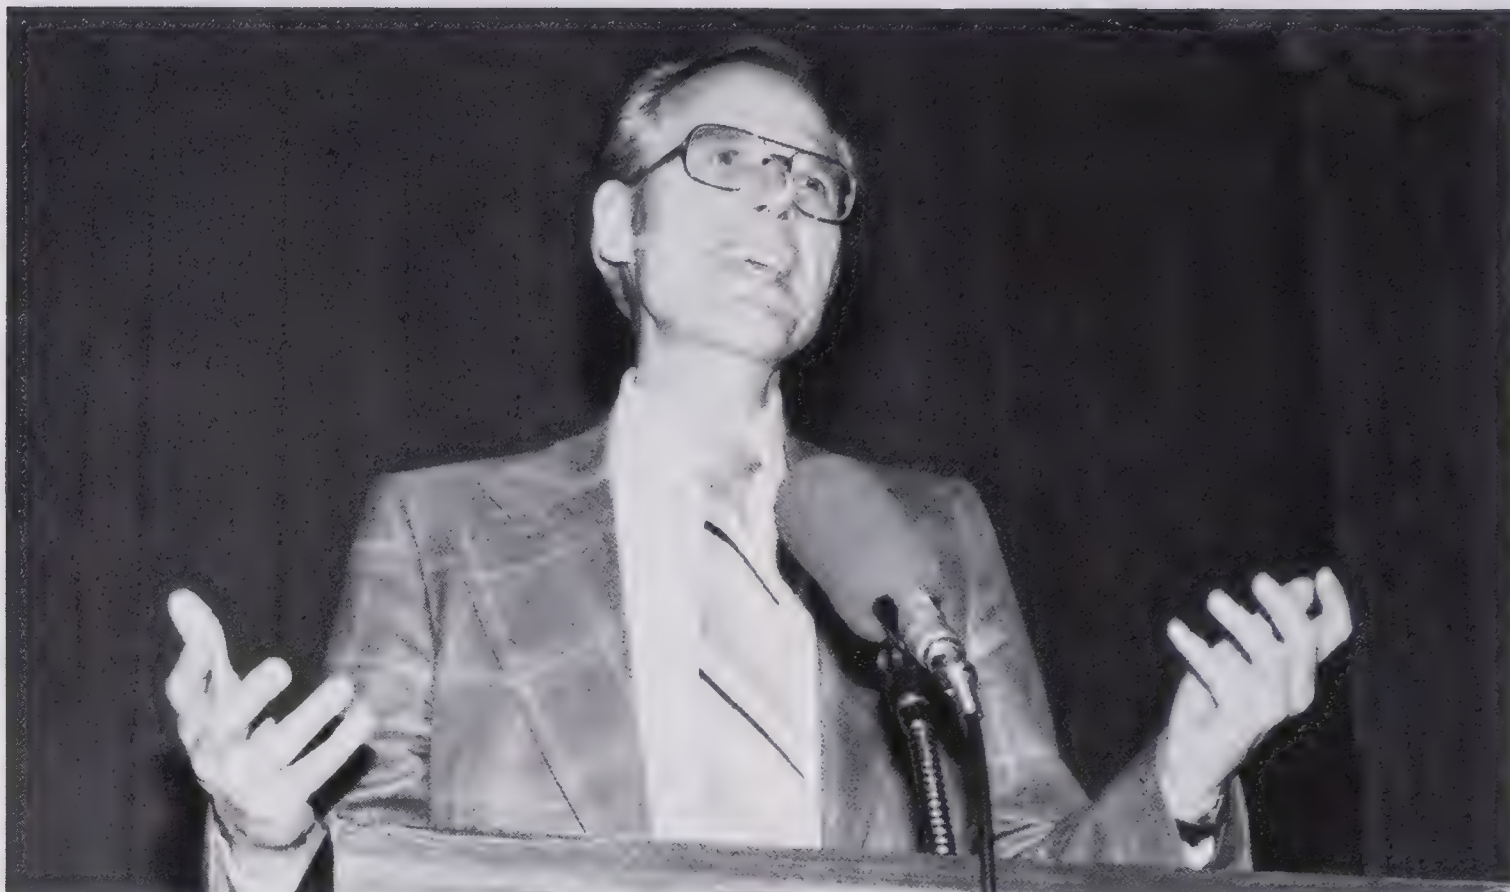

RELIGIOUS ACTIVITIES

FALL WEEK OF PRAYER

Glen Aufderhar, President of the Washington Conference, took time out of his busy schedule to come and share with us the beginnings of the Advent movement and its medical history. He related to us many stories, life sketches, and feelings of the dedicated Pioneers of that time period.

STUDENT WEEK OF PRAYER . . . JESUS IS COMING AGAIN

“God is leading us to heaven as He led the Israelites to the promise land” Twelve students volunteered to share the good news from God to the others. Students not only enjoyed the Student Week of Prayer, they also gained the blessing from God. Many decisions were made under the influence of the Holy Spirit. The following names are Student Week of Prayer speakers:

CAROLING AND OUTREACH STUDENTS HELP COMMUNITY

This year the Bible department has been using the outreach program in the classroom in the form of Bible Lab projects. This gives the students a chance to put Christian principles into practice.

VESPERS AND AFTERGLOW . . . A QUIET TIME WITH GOD.

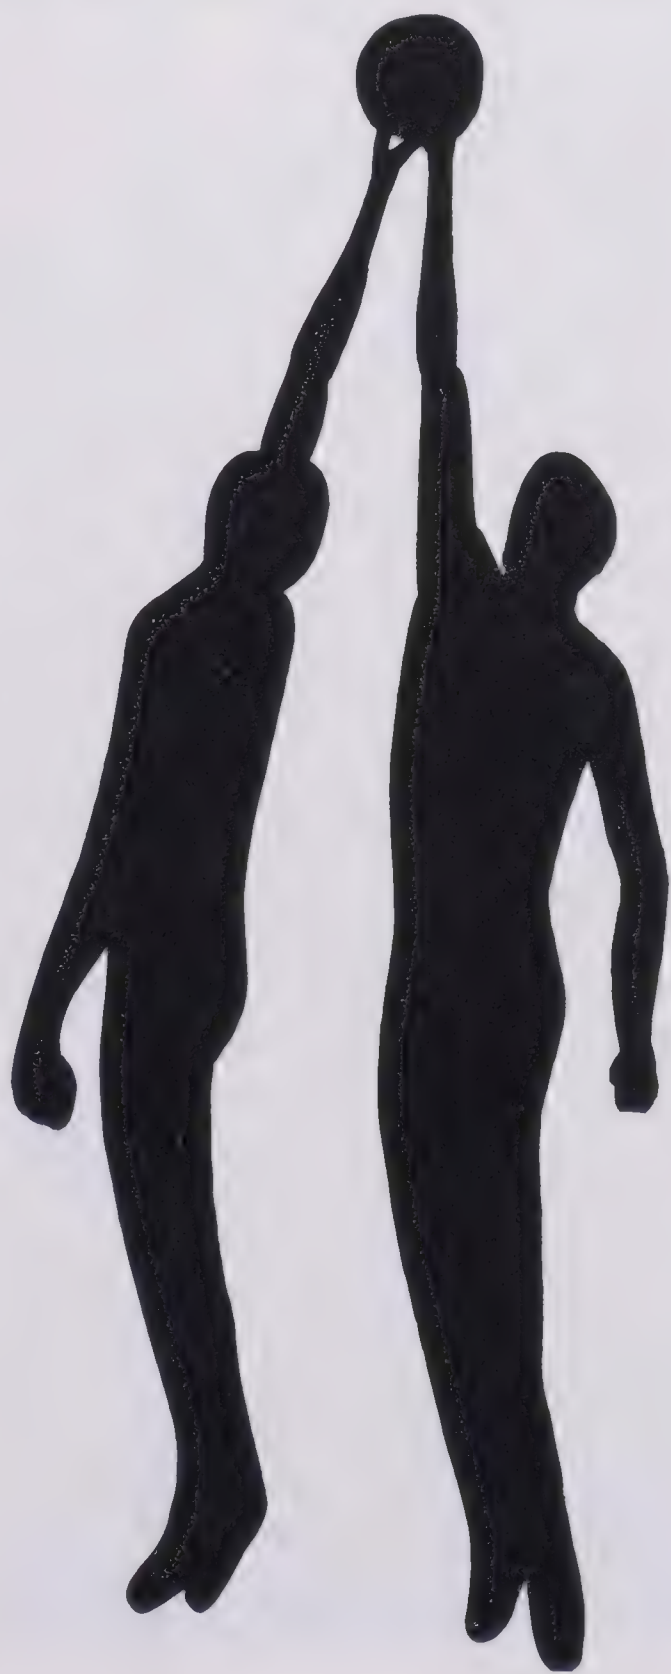

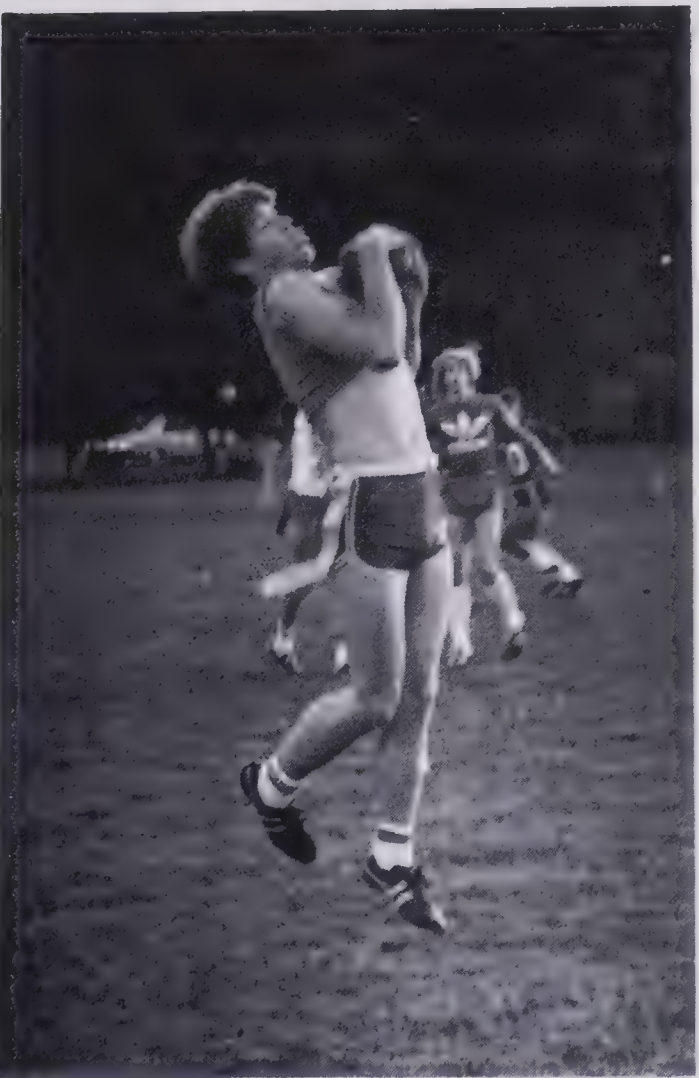

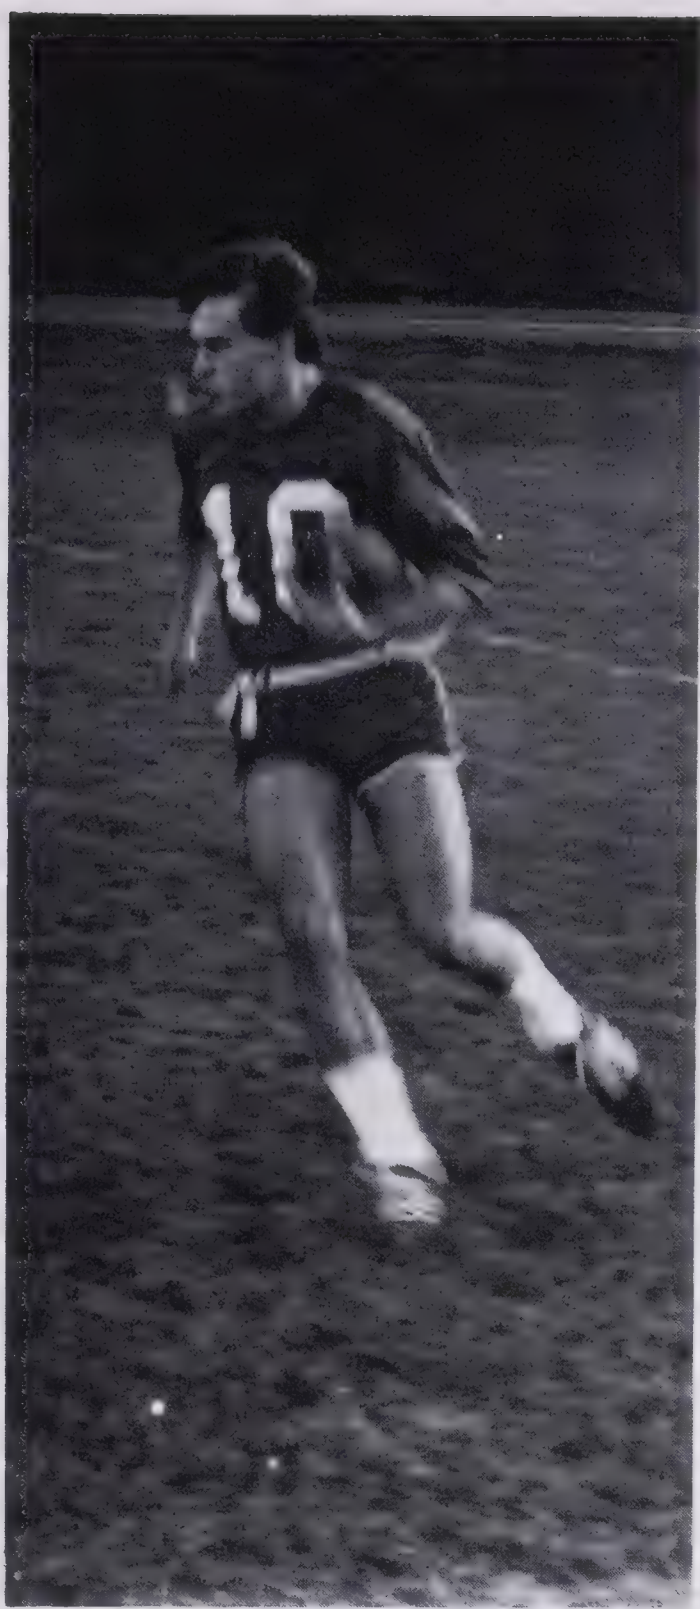

After a long, hard busy week, how good it is to come together to spend time with God, to talk with Him, praise Him, and to reflect on all the things that He has done for us during the past week. Singing together, personal testimonies, and prayer not only strengthen our relationship with Him, but also with one another.

FOOTBALL

FACULTY AND ANDERSON TIE UP SEASON!

FOOTBALL STANDINGS 82-83

	W	L	T
Anderson	6	1	1
Faculty	6	1	1
Halvorsen	4	4	0
Hanscom	2	5	1
Chinn	1	7	1

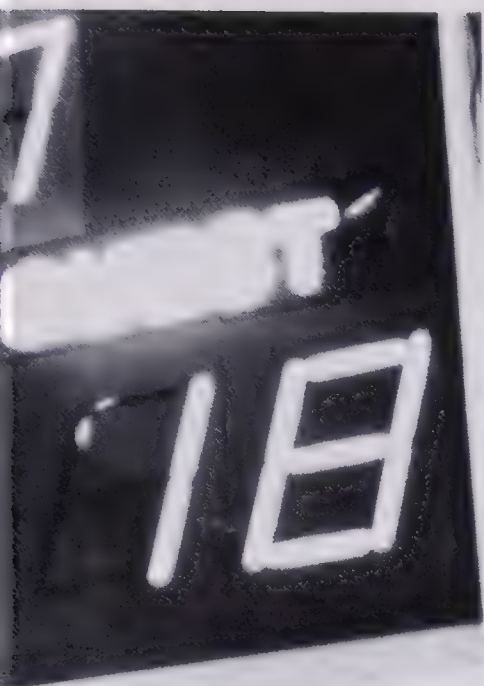

This year's Football season ended with tears for some and cries of joy for others. Anderson's team turned out quite well this season due to good playing techniques and teamwork. Faculty seem to have slowed down, not being quite as fast as usual. They still played exceptionally well, only having Halvorsen's team beat them the whole season. For the rest of the teams there was good participation but that just wasn't quite enough to win that first place title.

DORM LIFE . . . LEARNING TO LIVE IN “PEACE”

Remember all the great times with your friends during that period they call study hall—all the late night gab sessions, and the many hours on the phone—and mornings waking up to a cold shower! There are so many memories . . . so many happy times that will never be forgotten.

IN CONFERENCE
DO NOT DISTURB

No cold showers, no study hall, but, being Village does have some disadvantages . . .

Having to get up extra early in order to be on time for school, and missing the dorm parties and evening gab sessions. In spite of these few disadvantages, being Village is great!!

EMPLOYMENT

HARRIS PINE MILLS

EARNING OUR WAY

In the current economic crisis, having a steady job has become a privilege.

Safety lectures and sawdust, ear-piercing whistles and mind-altering stain, somehow seem worth it when the cash percentage is handed out by the business office.

This year the academy is trying something different to create student jobs. The academy farms presently employs 2 students but plans on increasing employment as the farm is established.

Farm produce is available for sale every Sunday and include items such as corn, green beans and potatoes.

The administration hopes that eventually the farm will provide additional employment.

AND ACADEMY FARM

READERS AND SECRETARIES BEHIND A GOOD TEACHER IS A GOOD READER

Our teachers and administrators can't do everything on their own much as they lead us to believe. Readers and secretaries help to make their work easier and less of a headache sometimes. (especially when grades are due!)

CAFETERIA THE HOUSE OF CHEFS?

Who knows maybe one of our cafe workers will go on and be a world famous cook like Betty Crocker. It may not be glamorous but it's a start. There would be less complaining if everyone tried their hand at it.

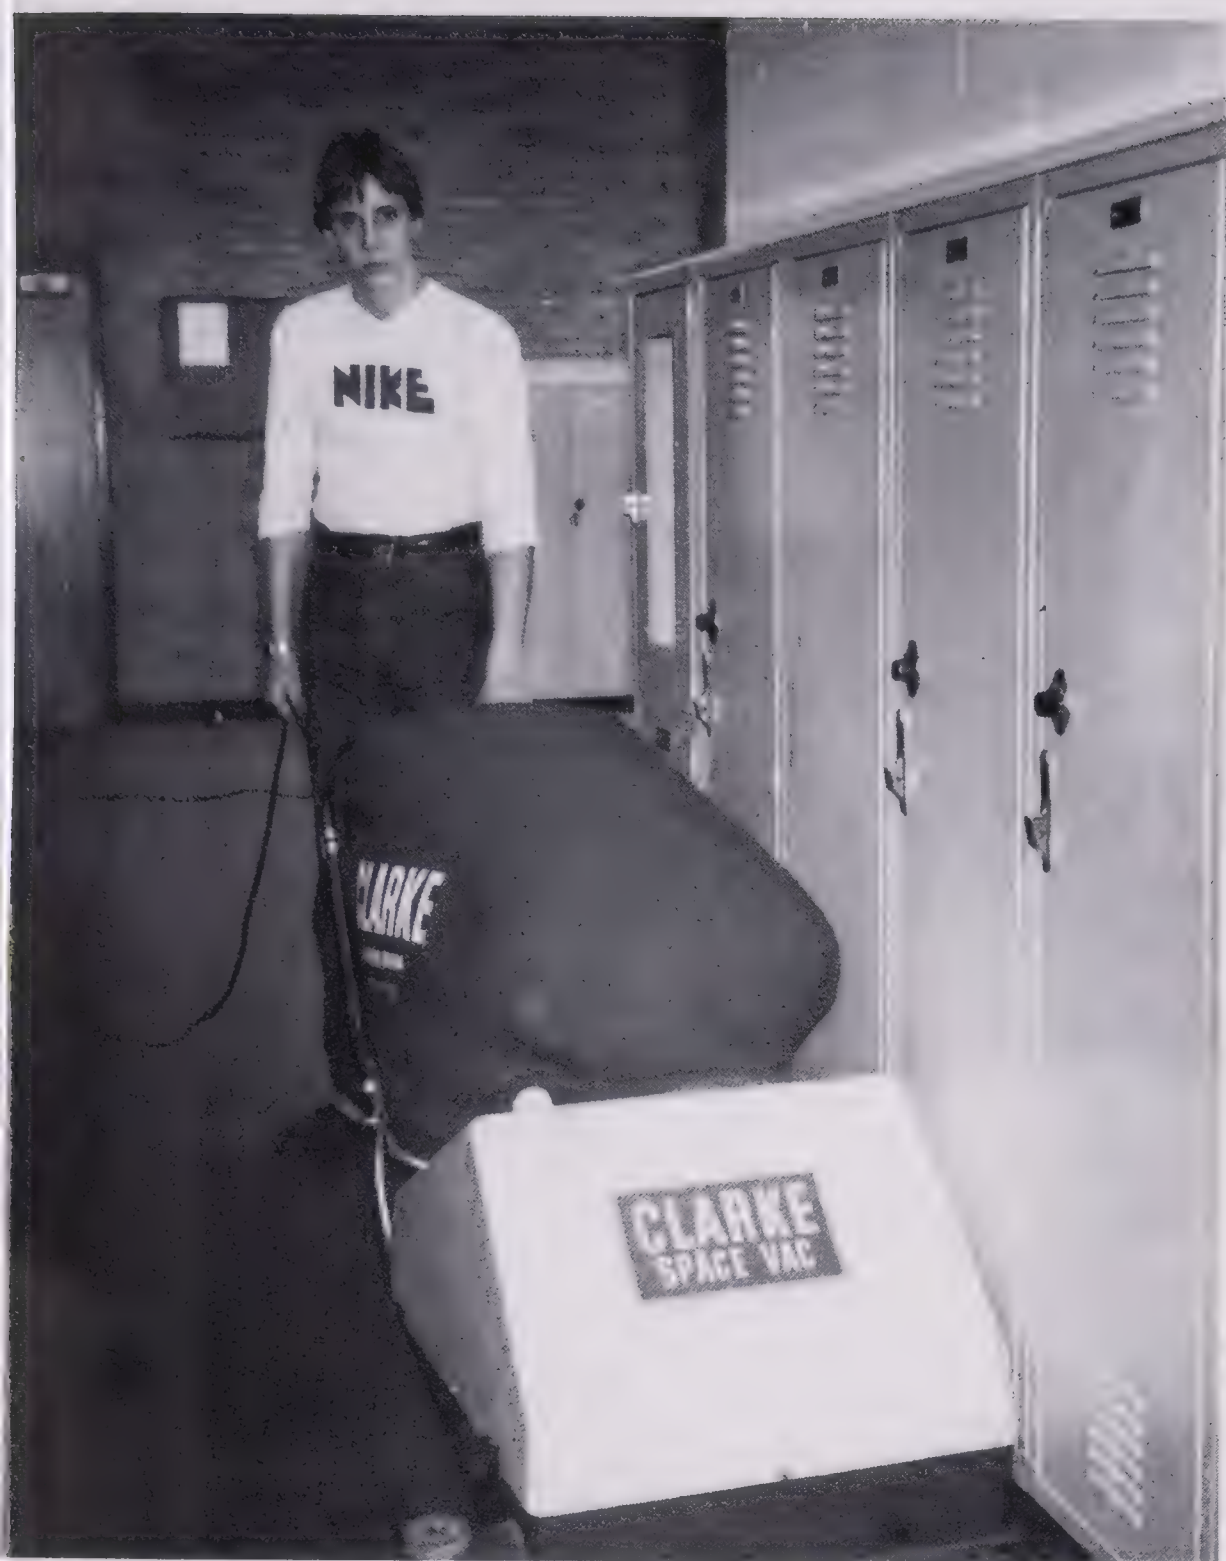

CAMPUS CARETAKERS

KEEPING CAMPUS GOING

Cleaning, repairing, and straightening up the campus, all the workers in Grounds, Maintenance, and Janitors help keep our campus looking great. Though their work is often behind the scenes, we would soon notice if it were not done.

GOOD - BYE AND

GOOD LUCK SENIORS!

For this is the time
To take on
More and more challenges.
Your silhouettes have influenced
This campus in many ways.
And now as you go on to
Affect the world,
May you never forget
The days of your life here.
